AGENDA

PUBLIC HEARINGS

The Gardner Conservation Commission will hold a joint Public Hearing under MGL, Ch. 131, § 40, Wetlands Protection Act and the City of Gardner Wetlands Protection Ordinance on the Notice of Intent filed by Massachusetts Department of Transportation (MassDOT) Highway Division for the activities associated with the replacement of the Pleasant Street Bridge superstructure over Pan Am Railways in Gardner, MA. The project will involve the replacement of the Pleasant Street Bridge superstructure over Pan Am Railways (Bridge No. G-01-008) and reconfigure the existing Pleasant Street/Greenwood Street/Greenwood Place intersection from its currently excessively wide and sprawling layout, to provide for intersection reconfiguration, safety improvements, and new pedestrian and greenspace. This project is being proposed as a Limited Project, per 310 CMR 10.53(3)(f) which allows for the maintenance and improvement of existing public roadways, but limited to widening less than a single lane, adding shoulders, correcting substandard intersections, and improving inadequate drainage systems. The project has been designed to comply with the Massachusetts Department of Environmental Protection's Stormwater Management Policy to the maximum extent practicable.

The meeting will be held at
6:30 p.m., Meeting Room 203,
2nd Floor, City Hall Annex, on Monday, January 22, 2018
