

CITY OF GARDNER

DEPARTMENT OF COMMUNITY DEVELOPMENT AND PLANNING
115 PLEASANT STREET, ROOM 201 | GARDNER, MA 01440

Public Info & Input Meeting **Complete Streets Prioritization Planning**

Thursday, April 27, 2017 at 6:30 PM
Gardner Police Department, Conference Room

The City of Gardner Department of Community Development and Planning, together with their consultant, BSC Group, will hold a Public Information and Input Meeting as part of the City's Complete Streets Prioritization Planning Process. The [Complete Streets Funding Program](#), administered by the Massachusetts Department of Transportation (MASSDOT) offers Massachusetts municipalities incentives to adopt policies, develop prioritization plans, and identify and construct projects that will provide safe and accessible options for all travel modes – walking, biking, transit and vehicles – for people of all ages and abilities.

Your input is important to help identify community needs, prioritize potential projects, and develop a 5-year plan for Complete Streets transportation goals and improvements. Please join us on Thursday, April 27, 2017 @ 6:30 PM at the Gardner Police Department, Conference Room, 200 Main Street.

For more information visit the [Community Development and Planning Department](#) page on the [City's website](#). Follow the link to Gardner's Complete Streets Program to view a copy of the [Policy](#).

complete streets are for everyone
