

Gardner's Municipal Vulnerability Preparedness (MVP) Plan

and Downtown Tree Plan

Listening Session

Wednesday, December 9, 2020, 6PM
Virtual Meeting

The City of Gardner has developed a Municipal Vulnerability Preparedness (MVP) Plan to help prepare the city for the impacts of climate change. It also developed an inventory of trees downtown and in surrounding neighborhoods and a plan for urban forestry. Attend the virtual meeting to learn about the plans' findings and recommendations and offer your input.

To request the link for the virtual meeting, please contact
Lyndsy Butler, Conservation Agent at: lbutler@gardner-ma.gov

We hope to see you there!
